

Teacher of the Year Application

2013 Application

Instructions:

Click and open the 2013 Teacher of the Year Application above. Save the application to your computer. Fill-in the application form. Next, given the space provided complete all three questions. Finally, save the document and send to your local Soil and Water Conservation District Office. See instructions below on how to email your SWCD.

How to Email your local SWCD Office:

First, determine in what Illinois county you teach. Next, scroll down to find the county name. Then, open a blank email from your personal email account. If you do not currently have an email account, one will need to be set-up at this time. If you have an existing account complete either of the next two steps. Either click on the email address in the right column or copy and paste the email address into your open, blank email message.

Deadlines:

Teachers - Completed entries due to SWCD Friday, April 12, 2013

Districts - Completed entries due to LUC Friday, May 17, 2013

LUCs - Completed entries due to AISWCD Wednesday, June 5, 2013
