

## What is the NRCS Client Gateway?

A new map-based, public website that allows you to:

- Request conservation technical and/or financial assistance
- Receive timely information about your conservation plans, conservation program financial assistance applications and contracts, and practice payments for completed measures.

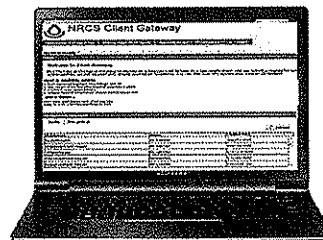

## Benefits

- Reduced trips to the NRCS Field Office to complete and sign forms and applications for conservation programs.
- Ability to request conservation technical and financial assistance at any time from your farm, ranch, or forest operation.
- Your conservation information is just a click away, 24 hours a day, 7 days a week.

## With the Client Gateway, you can:

- Have your conservation plans, financial assistance applications, and contracts as close as your computer or tablet.

## With the Client Gateway, you can:

- Ask for technical and financial help 24/7/365.

## With the Client Gateway, you can:

- Review and electronically sign your conservation plans and practice implementation schedules on-line.
- Electronically complete, sign, and submit your conservation program financial assistance application.

 A screenshot of a web form titled "Conservation Program Financial Assistance Application". The form contains various fields for personal and business information, including name, address, phone number, and email. It also includes a section for "Conservation Practices" with checkboxes for different types of practices.

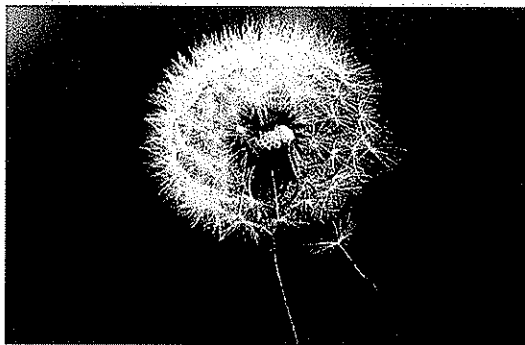

## With the Client Gateway, you can:

- Report the completion of conservation practices and request practice certification.
- Request payment of certified practices and track payments due to you for completed measures.

## Scheduled Deployment

- Early Adopters Deployment initially
- Full Deployment subsequently

USDA

CONSERVATION DELIVERY STREAMLINING INITIATIVE

### CLIENT GATEWAY

conservation assistance is just a click away

Client Gateway is a new, new USDA public website that allows landowners and land users the secure ability to request conservation technical and financial assistance from the USDA Natural Resources Conservation Service (NRCS). Through Client Gateway, customers can also access conservation program technical assistance, applications and contracts, and conservation plans.

**ONLINE FEATURES:**

- REQUEST TECHNICAL AND FINANCIAL ASSISTANCE
