

2016 Summer Conference

District Spotlights

Showcase The Positive Happenings In Your District!

In a time of financial stresses in every District, lets take Summer Conference to highlight the positive outcomes Districts were still able to achieve.

District Spotlights will take place during Opening Ceremony on July 25, 2016. Districts that are interested, will be given the opportunity to come to the podium and share their information with the group.

Interested Districts should submit the below information to AISWCD.

After the June 1st deadline, AISWCD will evaluate how many Districts will be participating and let those Districts know a time limit for their presentation.
