

- Should not have to open District Act

REVISIT TAX/FEE/CHECK OFF FOR

- FERT - Tax/Ten

- GARABANDS - Local tax/fee

- PROPERTY - Local tax/fee

Need to get word to legislators about how little we actually need compared to dollars we bring in.

We have always been accountable.

Partner better with other Ag groups
X/RCS keep well trained employees in each district.
Computer program that runs together. or talk to each other

Communication - Public Awareness
Show where we spend money
have to be accountable to COMB
Need current districts because of employees time

Run districts like a business

Get younger people involved as directors

In State governments and game to slowly by attrition get rid of SWCP's.
Are we all out of date agency
We are accountable to our local government when we got funding constituents

* Continued improvement in use of technology (podcast, social media)

* Not Feasible to combine districts or boundaries because of logistics, county funding, etc

Commendate Clyde the Clod on a T-shirt.

Governance + Partnership

Stronger Partnerships

Solutions

We need stronger branding - maybe we can get funds from partners for some work we can do.

More recognition of Board members.

Stronger the regist partners. (?)

Need better reporting of efforts.

Press releases (?)

Governance + Partnership

We need stronger partnership with current partners + maybe more partners.

If we are tied to legislators for funding
then we must sell them our value

Consolidate some Districts

What do legislators want from Districts

Local units are more efficient

Governance & Governance

- Continue with NRCs + build for more opportunities
- ~~Reduce duplication / SWCD applications~~
- Reduce duplication / SWCD applications
- Reduce operations cost
- Work closer with county Bd, Farm Bureau, etc
- FFPA,

Solutions

Maybe a reporting system for what we do

Better Directors

Solution

Reduce "Directives" to maybe MCS '34'
no 98
