

Employees need
training

lack of funding to
continue basic ^{education} programs

Self Voluntary
programs - not
regulation

Reluctance to
consolidation or
share services

Changing Producers
mind set - ^{corn crop +} change tillage

Competition to others

cost-share programs
(EQIP + CFP)

Think about what you would
be doing if your district had
all the money they needed.
Envision what it is you want to be
doing and figure out a way to do it
on your own!

New program idea:

Nutrient Practices Program

description: replace the CFP program
with new funds focusing on nutrient practices.
Make it marketable + reportable to show
progress better than simply meeting attendance.
