

Topic 1 →

Challenge → Public Presence doesn't exist on its own.

Lack of Staffing

Funding Request Plan

- ↳ why we need funding Resources and what we will be doing with it
- Individuality alongside Partnerships

Strength → Boots on the ground on the local level.

- Having good Partnership w/NRCS
- Communication between Districts

- Clean Water + Soil Health

Topic 2 →

Water Quality Focus

- Educate public & Farmers
Next generation

Unity in our Message - Programs
Training

Public driven

Topic 3 →

Appealing to all ages of your audience

We've ~~we~~ worked to make water clean

~~were working to~~ Continuing to make it better

Protecting Resources for future generations

~~11~~

Topic 4 →

Accountability Measures need to be
outcome based.
