**PARTNERS FOR CONSERVATION COST-SHARE PROGRAM**  
**Prevailing Wage Certification Statement**

The contract (ESC-1A), entered into to receive cost-share funds through the Partners for Conservation Program, calls for the construction of a “public work,” within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/.01 et seq. (“the Act”). The Act requires contractors and subcontractors to pay laborers, workers and mechanics performing services on public works projects no less than the “prevailing rate of wages” (hourly cash wages plus fringe benefits) in the county where the work is performed. For information regarding current prevailing wage rates, please refer to the Illinois Department of Labor’s website at: <http://www.state.il.us/agency/idol/rates/rates.HTM>.

All contractors and subcontractors rendering services under this contract must comply with all requirements of the Act, including but not limited to, all wage, notice and record keeping duties.

I certify that I understand that this project is a “public work” which falls under the requirements of the Prevailing Wage Act of Illinois.
