SPONSORSHIPS ARE AN INVESTMENT IN CONSERVATION.

Soil and water conservation districts, or SWCDs, work to protect Illinois’ greatest assets – the rich, fertile soils and water resources of the state through strategic conservation efforts. We are the local boots on the ground implementing conservation.

Clean water, healthy soils.

AISWCD.ORG
Greetings! The Association of Illinois Soil and Water Conservation Districts (AISWCD) invites you to join us for the 2020 Annual Meeting & Summer Training Conference located at the Crowne Plaza Hotel in Springfield, Illinois. This year’s conference will be held July 19th – 21st, 2020.

The AISWCD is a grassroots organization formed in 1948. It is made up of and serves Illinois’ 97 member soil and water conservation districts, or SWCDs. Soil and water conservation districts work to protect Illinois’ greatest assets – the rich, fertile soils and water resources of the state through strategic conservation efforts. SWCDs, working in conjunction with agricultural as well as environmental stakeholders, have for decades played a central role in efforts to protect and sustain the viability of Illinois’ natural resources for future generations.

Each year, member districts gather to conduct association business, attend training seminars, network, and socialize. Last year’s conference had nearly 400 attendees representing all spectrums of the agriculture industry – conservation, retail, commodity, research, agency, and farmers.

The two-day conference can provide you with the opportunity to network with conservation professionals, landowners, partnering organizations, and government agencies. It also provides a venue to discover new services, technologies, and programs!

We are excited to offer cost effective promotional and advertising opportunities. Please find more information contained within.

We thank you in advance!
The AISWCD’s Annual Meeting & Summer Training Conference can provide you with terrific opportunities to network and advertise to hundreds of conservation professionals, as well as nearly all spectrums of the agriculture industry – conservation, retail, commodity, research, agency, and farmers. Benefits of sponsorship include posted web links, logos, printed materials and more!

The AISWCD is certainly willing to help develop a customized sponsorship package. Let’s discuss!

- Conservation Champion: $2,000
- Conservation Partner: $1,500
- Conservation Friend: $1,000
- Conservation Supporter: $750
The AISWCD Annual Meeting & Summer Training Conference offers several meal sponsorship options. The benefits of sponsorship include; table recognition, signage placement options, two complimentary registrations, two complimentary lunch meal tickets, and your name and logo featured in the conference program and elsewhere.

**Recognition Luncheon: $2,000**

The AISWCD’s award recognition luncheon recognizes students and conservation professionals who make a difference!

**Farm Family Awards Dinner: $4,000**

The AISWCD’s signature event recognizing the Conservation Farm Family of the Year! Lawmakers and VIP’s are also recognized here, as well!

**Stewardship Breakfast: $2,000**

Conference attendees kick off the second day with a fun filled breakfast featuring an entertaining guest speaker.
Make an introduction! If your agency, business, or organization is looking to introduce your programs, products, or services to conservation leaders, this is the place to do so!

Exhibitors will be placed in visible, high traffic areas along with other vendors. These areas provide special value - it is where conference attendees take breaks, refresh, and socialize! Exhibitors will have an opportunity to speak at the start of the conference, as well!

Each exhibitor space includes one skirted table and two chairs, and one lunch ticket per day. Acknowledgement will also be provided in printed materials and online.

**Non-profit or Government Agency: $350**  
**Commercial Business Rate: $500**
